Bm                      Em                      A<sup>7</sup>                      D

F#m                      Bm                      A                      D                      A                      F#m

Bm                      G                      A                      A<sup>7</sup>                      D

A a a a.                      A a a

Dêm hôm nay con Chúa cao  
Lau khô đi nước mắt muôn  
Yêu thương ta nên Chúa sinh

a. La la la la la la la la
